

## **ReadMe**

To view the downloaded book, please follow these instructions:

1. Create a folder in a convenient location on your hard drive. Name the file with a reference to the book you have just downloaded so that you can easily find it again.
2. Copy the all the files in the ZIP file that you have downloaded and place them in the folder created in Step 1.
3. To read the book, click on the file named "contents.pdf"
4. The PDF will open and you will see bookmarks that enable you to navigate your way through the book.

Please note that the download link will expire if you try to download a book more than 5 times.

If you have problems reading the book, please [contact us](#)
